

Surgical Solutions and Gimmi Unite Under a Unified Global Leadership

[Overland Park, Kansas; February 12, 2025] – [Surgical Solutions](#) is pleased to announce our company and [Gimmi](#) are coming together under a unified global leadership structure. Both Gimmi and Surgical Solutions are key members of the Grupo Vitalmex family. This strategic partnership provides a stronger, more complete range of products and services for our global clients. Both companies will continue to operate independently while benefiting from shared expertise and resources to better serve our customers worldwide.

Gimmi is headquartered in Tuttlingen, Germany, a city renowned as the global hub for surgical instrument manufacturing – home to over 600 surgical equipment companies and the source of 50% of the world's surgical instruments. Gimmi has been a leader in surgical instrumentation and towers for over a century, recognized for its commitment to quality and innovation.

Based in Overland Park, Kansas, Surgical Solutions brings deep expertise in procedural support services and sterile processing. By combining Gimmi's proven product capabilities with Surgical Solutions' Purchased Service model, we enhance our collective strength while preserving the unique identities, expertise, and market presence of both companies.

"Together, we are creating a more powerful, integrated solution for healthcare providers," said **Kirk Leonardelli, Chairman of the Board for Surgical Solutions and Gimmi**. "This alignment allows us to better serve our customers while maintaining our commitment to quality and innovation."

Surgical Solutions remains dedicated to advancing innovation and delivering unparalleled support to those we serve. We look forward to this next chapter and the opportunities it will bring for our customers, employees, and partners worldwide.

About Surgical Solutions

Based in Overland Park, Kansas, Surgical Solutions is a trusted leader in on-site surgical support services. Since 2007, we have partnered with hospitals to optimize operating room efficiency and workflows through data-driven insights and comprehensive, end-to-end solutions. Specializing in non-clinical surgical services, staffing and sterile processing, we deliver tailored solutions for a broad range of surgery centers. We proudly serve hospitals across the U.S., helping healthcare teams achieve operational excellence and enhanced patient outcomes.
